

Architectural floor plan of a house with two levels. The plan shows a living room (LR) with a fireplace, a dining area, a kitchen, a bathroom, and a bedroom. The house is divided into two main sections by a central hallway. The left section contains the living room, dining area, and kitchen. The right section contains the bedroom, bathroom, and a staircase. The plan includes dimensions for various rooms and areas, such as 'PRU 150', 'LR 150', 'hp 18', 'PRU 200', and '222 LR'. There are also numbered circles (4 and 6) indicating specific areas of interest.
